## PROJECT ASSISTANT

For Funded Projects

Project Title : Multiple Projects of TIES  
No. of Post : One

### Job Description

TIES offers opportunities to work on its community development projects, such as mushroom farming, beekeeping and biocontrol product development. The Project Assistant is responsible for supporting laboratory experiments, field research activities, community participation programs, stakeholder meetings, awareness campaigns, and the implementation of all related field-level activities. A fruitful and enriching experience awaits.

**Qualification:** M.Sc. in Microbiology; Biochemistry, Biotechnology; Environmental Sciences; Botany or Zoology.

**Preferences:** Self-motivated, organized aspirants with a passion for fieldwork and laboratory work, as well as a taste for the environment, are encouraged to apply. Experience in mushroom cultivation and maintenance of lab culture are preferable.

**Salary:** Rs. 12,000/- per month (Consolidated)

**Station:** TIES, Velloor, Pampady, Kottayam.

**Period:** One Year (01.12.2025 to 31.11.2026)
