## ACADEMIC COMMUNITY EDUCATOR

Temporary Assignment – 3 Months  
For TIES

### About TIES

The Tropical Institute of Ecological Sciences (TIES) is a leading eco-educational and research organization based in Kerala, committed to promoting environmental conservation, sustainable development, and nature-based education. TIES works closely with schools, colleges, local governments, and communities to build a culture of ecological responsibility through innovative programmes and field-based learning experiences.

### Job Description

Academic Community Educators will:

- Sensitise school and college authorities on experiential learning packages offered by TIES.
- Promote environmental education initiatives like "Enjoy Learning Skills", nature camps, biodiversity studies, student projects, Green auditing etc.
- Build strong institutional networks for eco-literacy, conservation thinking, and youth capacity building.
- Facilitate participation of students and teachers in TIES programs and assist in the coordination of field activities.

### Required Skills

- Excellent communication and public engagement skills
- Passion for nature, education, and community outreach
- Strong organisational and coordination abilities
- Ability to independently travel and interact with academic institutions

### Qualifications

- Bachelor's degree in any discipline (Preference for Environmental Science, Life Science, Education, Literature or Social Work)
- Prior experience in teaching, NGO work, outreach programs, or student mentoring is an added advantage

### Preferences

- Candidates with field experience in education, nature clubs, NSS/NCC, or environmental campaigns
- Familiarity with school/college administrative systems
- Basic proficiency in Malayalam & English
- Must be based in Kerala or willing to work across districts

Duration : 3 months

Number of Positions : 2

Location : Field-based across Kerala (with TIES coordination support)

Honorarium : Rs. 8000/- per month (consolidated). TA will be provided.

Experience certificate is assured

### How to apply
