Independent Auditor's Report

To the Members of **TROPICAL INSTITUTE OF ECOLOGICAL SCIENCES, VELLOOR P.O., KOTTAYAM**

Report on the Audit of Financial Statements

Opinion

We have audited the accompanying standalone financial statements of "**TROPICAL INSTITUTE OF ECOLOGICAL SCIENCES, VELLOOR P.O., KOTTAYAM**", which comprise of the Balance Sheet as at March 31, 2024 and the Income and Expenditure Account for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion and to the best of our information and according to the explanations given to us, and subject to Note No 2 of Schedule A, the financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) in the case of the Balance Sheet, of the state of affairs of the society as at March 31, 2024; and
- b) in the case of the Income and Expenditure Account, of the Excess of Income over Expenditure for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Society in accordance with the ethical requirements that are relevant to our audit of the financial statements, Code of Ethics issued by ICAI and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and presentation of these financial statements that give a true and fair view of the state of affairs and financial position of the Society in accordance with the Accounting Principles Generally Accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial statements, management is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to cease operations or has no realistic alternative but to do so.

The Governing body of the Society is responsible for overseeing the Society's financial reporting process.

-2-

Auditors' Responsibilities for the Audit of the Financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SA's will always detect a material misstatement when it exist. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SA's, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risk of material misstatement of the financial statements whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the society's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by governing body.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt of the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the society to cease to continue a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Governing body of the Society regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

SCHEDULE - A : NOTES

1. Significant Accounting Policies:

i) Basis of preparation of financial statements:

The financial statements are based on historical cost and are prepared on accrual basis and in compliance with all material aspects of the Accounting Standards issued by the Institute of Chartered Accountants of India.

ii) Use of estimates

The preparation of financial statements requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and disclosure of contingent liabilities, at the end of the reporting period. Although, these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

(iii) Contingencies and Events occurring after the balance sheet date

The amount stated in the financial statements is based on the information which is available at the date on which the financial statements are approved. Events occurring after the balance sheet date that indicate that an asset may have been impaired, or that a liability may have existed, at the balance sheet date are, therefore, taken into account in identifying and determining the amounts included in financial statements.

(iv) Property, Plant & Equipment

Property, Plant & Equipment are stated at cost of acquisition or construction, less accumulated depreciation. The cost of fixed assets includes the purchase cost of fixed assets and any other directly attributable cost of bringing the assets to their working condition for the intended use.

(v) Depreciation:

Depreciation on fixed assets has been provided on written down value basis applying the rates specified in Rule 5 of the Income Tax Rules, 1962.

(vii) Employee Benefits

Short-term Employee Benefits

All employee benefits payable wholly within twelve months of rendering the services are classified short-term employee benefits. Benefits such as salaries, wages etc and expected cost of ex-gratia are recognised in the period in which the employee renders the related service.

(viii) Revenue Recognition

Grants received in cash, other than those received for depreciable fixed assets are recognised as income when the donation is received, except where the terms and conditions require the grants to be utilised in a certain manner.

Government grants are recognised as income when the obligation associated with the grant is performed and right to receive money is established and reflected as receivables in the Balance Sheet.

Donations/grants received for specific fixed assets are directly credited to the Project Fund.

In the case of grants received for acquisition of fixed assets, amount equivalent to depreciation charged on these asset is transferred from the concerned fund to the credit of the Income and Expenditure Account in Compliance with Accounting Standard - 12 of the Institute of Chartered Accountants of India.

Income from receipts for other programs is recognised when the associated obligation is performed and the right to receive money is established.

Interest Income is recognised on a time proportion basis taking into account the amount outstanding and applicable interest rate.

TROPICAL INSTITUTE OF ECOLOGICAL SCIENCES, VELLOOR, KOTTAYAM

(ix) Inventories

Finished goods are valued at the lower of cost or net realisable value.

(x) Contingent Liability, Provisions and Contingent Asset

The Entity creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation

"A provision is recognized when an entity has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on management estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current management estimates. Contingent Liabilities are disclosed when the entity has a possible obligation or a present obligation and it is probable that a cash outflow will not be required to settle the obligation."

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that probably will not require an outflow of resources or where a reliable estimate of the obligation cannot be made.

Contingent assets are neither recorded nor disclosed in the financial statements.

(xi) Income Tax

The Trust is registered u/s 12A of the Income Tax Act, 1961. Under the provisions of this Act, the income of the Trust is exempt from tax, subject to the compliance of terms and conditions specified in the Act.

2. Rs. 32,00,000/- under the head Deposits & Advances represents the amount given to Innovative Project Management Services Pvt Ltd. The party to whom the advance is given have not complied with the terms of agreements dated 16th November 2023 and 28th September 2023. In the absence of confirmation of the balance by the concerned party, our opinion on the correctness of Balance Sheet is subject to the recoverability/compliance with the terms of agreement.
3. In the case of funds received with respect to various projects undertaken by the society, Surplus / Deficit is realised only when the project is completed.
4. Previous years figures have been regrouped / rearranged wherever necessary to suit the current years layout.
